The Perfect Platform!

A great event deserves a great stage. That's because your stage is more than just a presenter's platform. It's the focal point that brings together your event's theme, aesthetics, and overall mood. When done right, it can leave a lasting first impression and define how your audience feels about your event.

CREATIVE LIGHTING

Life Just Got Brighter

UPLIGHTERS

Our remote controlled, battery operated uplighters are easy to use and drastically change the impact of your event by completely transforming the look, feel, and ambiance of your venue.

COLD FOUNTAIN SPARKLERS

These non flammable units emit non-hazardous sparks that leave no residue and are perfect for outdoor or indoor affairs. They add spectacular visual effects to your event without any risk of fire, heat or pyrotechnics.

FAIRY LIGHTS

Good lighting creates a great atmosphere. Choose from a warm fairy light canopy which sparklers under the night sky or a curtain of lights to enhance your facade or backdrop.

DISCO LIGHTING BAR

This lighting bar is great for disco effects. It is incredibly easy to set up and take down and offers you multiple effects for a dynamic and vivid lighting experience.

STRING LIGHTING

Wrapping and bejewelling one or several trees with string lights elevates the atmosphere in the outdoor spaces of your venue and is popular during any season.

SPOT MOVING HEADLIGHTS

These spotlights are versatile as a powerful static beam or wash luminaire of the highest caliber. They can also create a field of light with multicolour beams that wash surfaces with colours at any distance.

FESTOON LIGHTING

This overly decadent lighting solution is done in such a way that it ensures light is evenly scattered around the room which is the ultimate feat of illumination.

SPECIAL EFFECTS

We Take Your Fun Seriously

SMOKE MACHINES

Create the coolest atmosphere at your stage productions, discos, weddings and parties with our high-grade smoke machines. The mystical haze always gives your event the ultimate whimsical feel.

BUBBLE MACHINES

Add an extra element of entertainment at your beach parties and kids birthdays with our light-weight, easily portable bubble machine which creates a constant stream of bubbles for hours of fun.

SNOW MACHINES

Transform your party venue into a winter wonderland with our latest, new on the market snow machines. The snow self disintegrates and leaves no residual or mess.

LED CONFETTI CANON

Create a confetti storm up to 5 meters high and wide, producing a real confetti whirl triggered by wireless remote control or via integrated DMX512 interface. 6 Powerful 8W RGBA LEDs for bright colours. Matching confetti in metallic colours available.

LOW FOGGER MACHINES

This machine vaporizes a fine, low-lying 'misting' effect that is safe, non-toxic and leaves no residue. The fog greatly enhances any lighting effect and is used extensively on the dance floor, concerts and theatres.

LED COLOUR FOG EFFECTS

A combination of two of the best visual effects. This vertical fog machine is integrated with RGB LEDs that illuminates the fog leaving the unit in any conceivable myriad of colours. The range of fog output is approximately 3 meters high.
