# CREATIVE LIGHTING

## Illuminating Hearts

### UPLIGHTERS

Our remote controlled, battery operated uplighters are easy to use and drastically change the impact of your wedding by completely transforming the look, feel, and ambiance of the facade and walls of your venue.

### COLD FOUNTAIN SPARKLERS

These non flammable units emit non-hazardous sparks that leave no residue and are perfect for outdoor or indoor affairs. They add spectacular visual effects without any risk of fire, heat or pyrotechnics.

### FAIRY LIGHTS

Create the perfect atmosphere with a warm canopy of fairy lights canopy which sparklers under the night sky or perhaps a curtain of twinkling lights which makes a great backdrop.

### DISCO LIGHTING BAR

This lighting bar is great for disco effects on the dance floor. It is incredibly easy to set up and take down and offers you multiple modes for a dynamic and vivid lighting experience.

## STRING LIGHTING

Wrapping and bejewelling one or several trees with string lights elevates the atmosphere in the outdoor spaces of your venue and is popular during any season.

## SPOT MOVING HEADLIGHTS

These spotlights are versatile as a powerful static beam or wash luminaire of the highest caliber. They can also create a field of light with multicolour beams that wash surfaces with colours at any distance.

## FESTOON LIGHTING

This overly decadent lighting solution is done in such a way that it ensures light is evenly scattered around the room which is the ultimate feat of illumination.

# SPECIAL EFFECTS

We Take Your Fun Seriously

## SMOKE MACHINES

These high-grade smoke machines are popularly used for 'the first dance' at weddings by creating a mystical haze with a whimsical feel.

## BUBBLE MACHINES

Add an extra element of entertainment at your big day with our lightweight, easily portable bubble machine which creates a constant stream of bubbles for hours of fun.

## SNOW MACHINES

For all ye couples having winter weddings! Our latest, new on the market snow machines can have your venue transformed into a winter wonderland. The snow self disintegrates and leaves no residual or mess.

## LED CONFETTI CANON

Perfect for your grand entry or exit or even whilst cutting your cake. Our LED canon creates a confetti storm up to 5 meters high and wide, producing a real whirl triggered by a wireless remote control or via an integrated DMX512 interface. 6 powerful 8W RGBA LEDs for bright colours. Matching confetti in metallic colours available.

## LOW FOGGER MACHINES

This machine vaporizes a fine, low-lying 'misting' effect that is safe, non-toxic and leaves no residue. The fog greatly enhances any lighting effect and is used extensively on the dance floor.

## LED COLOUR FOG EFFECTS

A combination of two of the best visual effects. This vertical fog machine is integrated with RGB LEDs that illuminates the fog leaving the unit in any conceivable myriad of colours. The range of fog output is approximately 3 meters high.
